

SHILPA ANANTH

VOCALIST | SONGWRITER | PERFORMING ARTIST

BIO

Shilpa Ananth is an Indian singer-songwriter based in the UAE. The singer's musical compositions blend the ethereal tapestries of South India with influences from Soul, Jazz, and Electronic genres, seamlessly weaving three of the oldest Indian languages - Tamil, Malayalam, and Hindi - with English. A Berklee College of Music Alumna, the trailblazing songstress' career boasts significant milestones including, featuring as a vocalist on the 2021 Grammy-nominated album 'ONA' by Thana Alexa, opening for internationally renowned jazz musician, Corey Henry and Afro-Jazz band, The Balimaya Project, as well as receiving a number of music accolades in recognition of her musical excellence and artistic prowess for her previous releases. In September 2023, Ananth released her much-anticipated album titled REPRODUCTION, solidifying her position as a true artist of global resonance.
